Principal's Message

Through the ages people have sought to be remembered. In like manner we want to be remembered. Our lives are so crowded that we just cannot remember the many exciting things that happen. Our Annual Staff has sought to capture some of the high lights of their school days. As you turn these pages, may you find pleasure in recalling the pleasant associations of your classmates, your teachers, your clubs, and your athletic teams and may all of it serve to remind you of the good old school days.

May we, your teachers and friends, congratulate the class of 1959 in producing this annual and extend to you our best wishes.

Sincerely,
Ed T. Gentry

In Memoriam

On Thursday, September 18, 1958, a senior of Gardners High School was taken away to be with God. The unselfishness, faithfulness and appreciation Ann showed toward others will never be forgotten.

We loved you with all our heart, a friend
True, kind, and dear, we never said it
In words but hope it was clear.
The light in your eyes, and the smile
On your face all seem now, very near.

Your heart seemed like a candle,
Flittering, glowing and shining through the dark.
Heartaches you had, like everyone else; to
You, each seemed like an unforgettable test.

Graduation stood out plainly in your life, and
As we near graduation and march down the isle,
You'll be with us, in all thirteen hearts and smiles.

To us, you brought peace, kindness of heart,
Happiness and a zeal to live.
When all is quiet and still, you
Seem so dear and so near.

Ann, these words cannot express
Each one's heart, but as you must
Know; to us, you will always
Hold a place in our heart.

In Memoriam

On Monday, November 10, 1958, the faculty and students of Gardners High School were saddened by the loss of a very dedicated member of the faculty. In each of our hearts there will be a memory of his many kindnesses and opportunities that he endured for the good will of others.

A fine man, an honorable man, a gentleman was he

No, it could be none other than John Allen Kenny

To the community he was something, both good and grand

And a person who was forever willing to lend a helping hand

A character, a personality, no finer could be found

If all the world were searched over and traveled all around

His friends were both rich and poor

And none were ever turned from his always open door

Yes, he is gone in body, but surely not in soul

For he shall linger long within the heart of both young and old

So do not be dishearted, do not cry and weep

But try to accept the proclaimed word that he is just asleep

And have faith that someday, when ever it may be

We'll again meet that man they call John Allen Kenny.

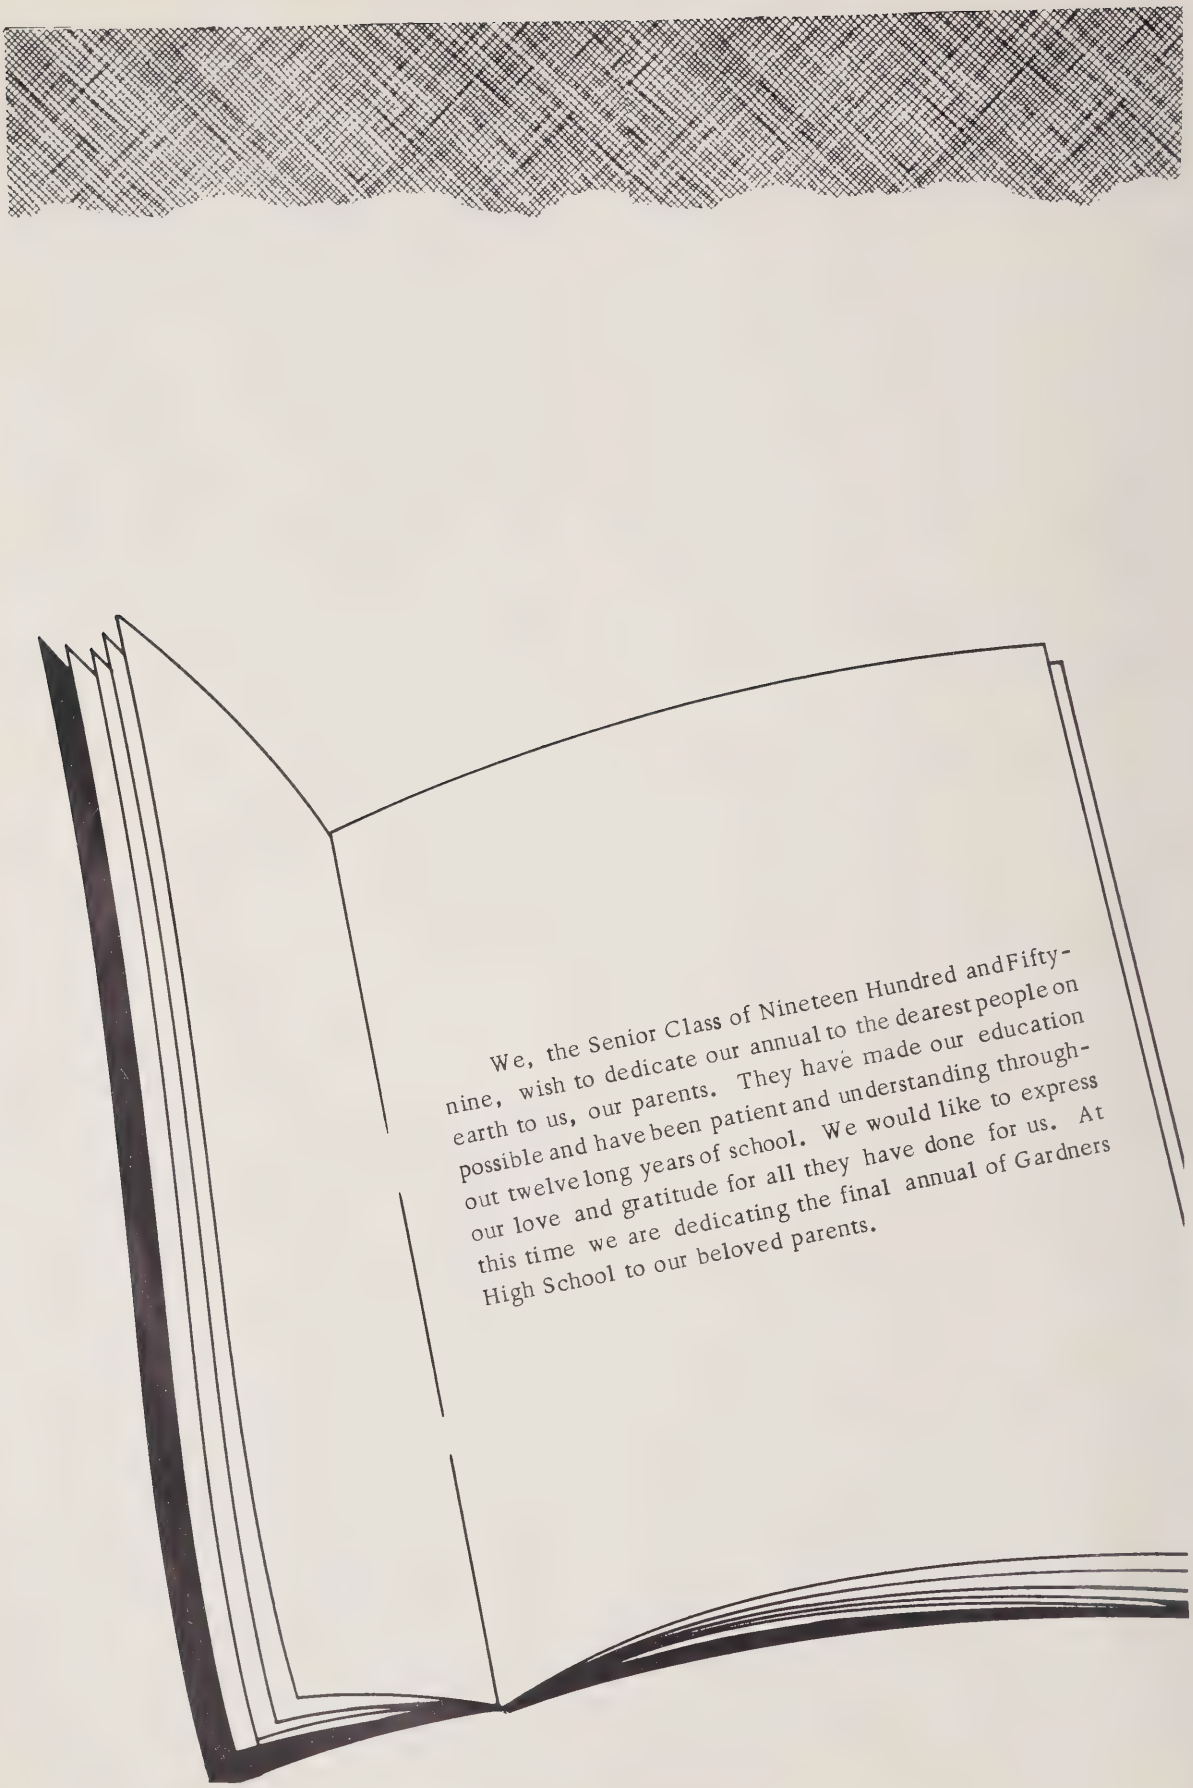
Proverbs 16:23

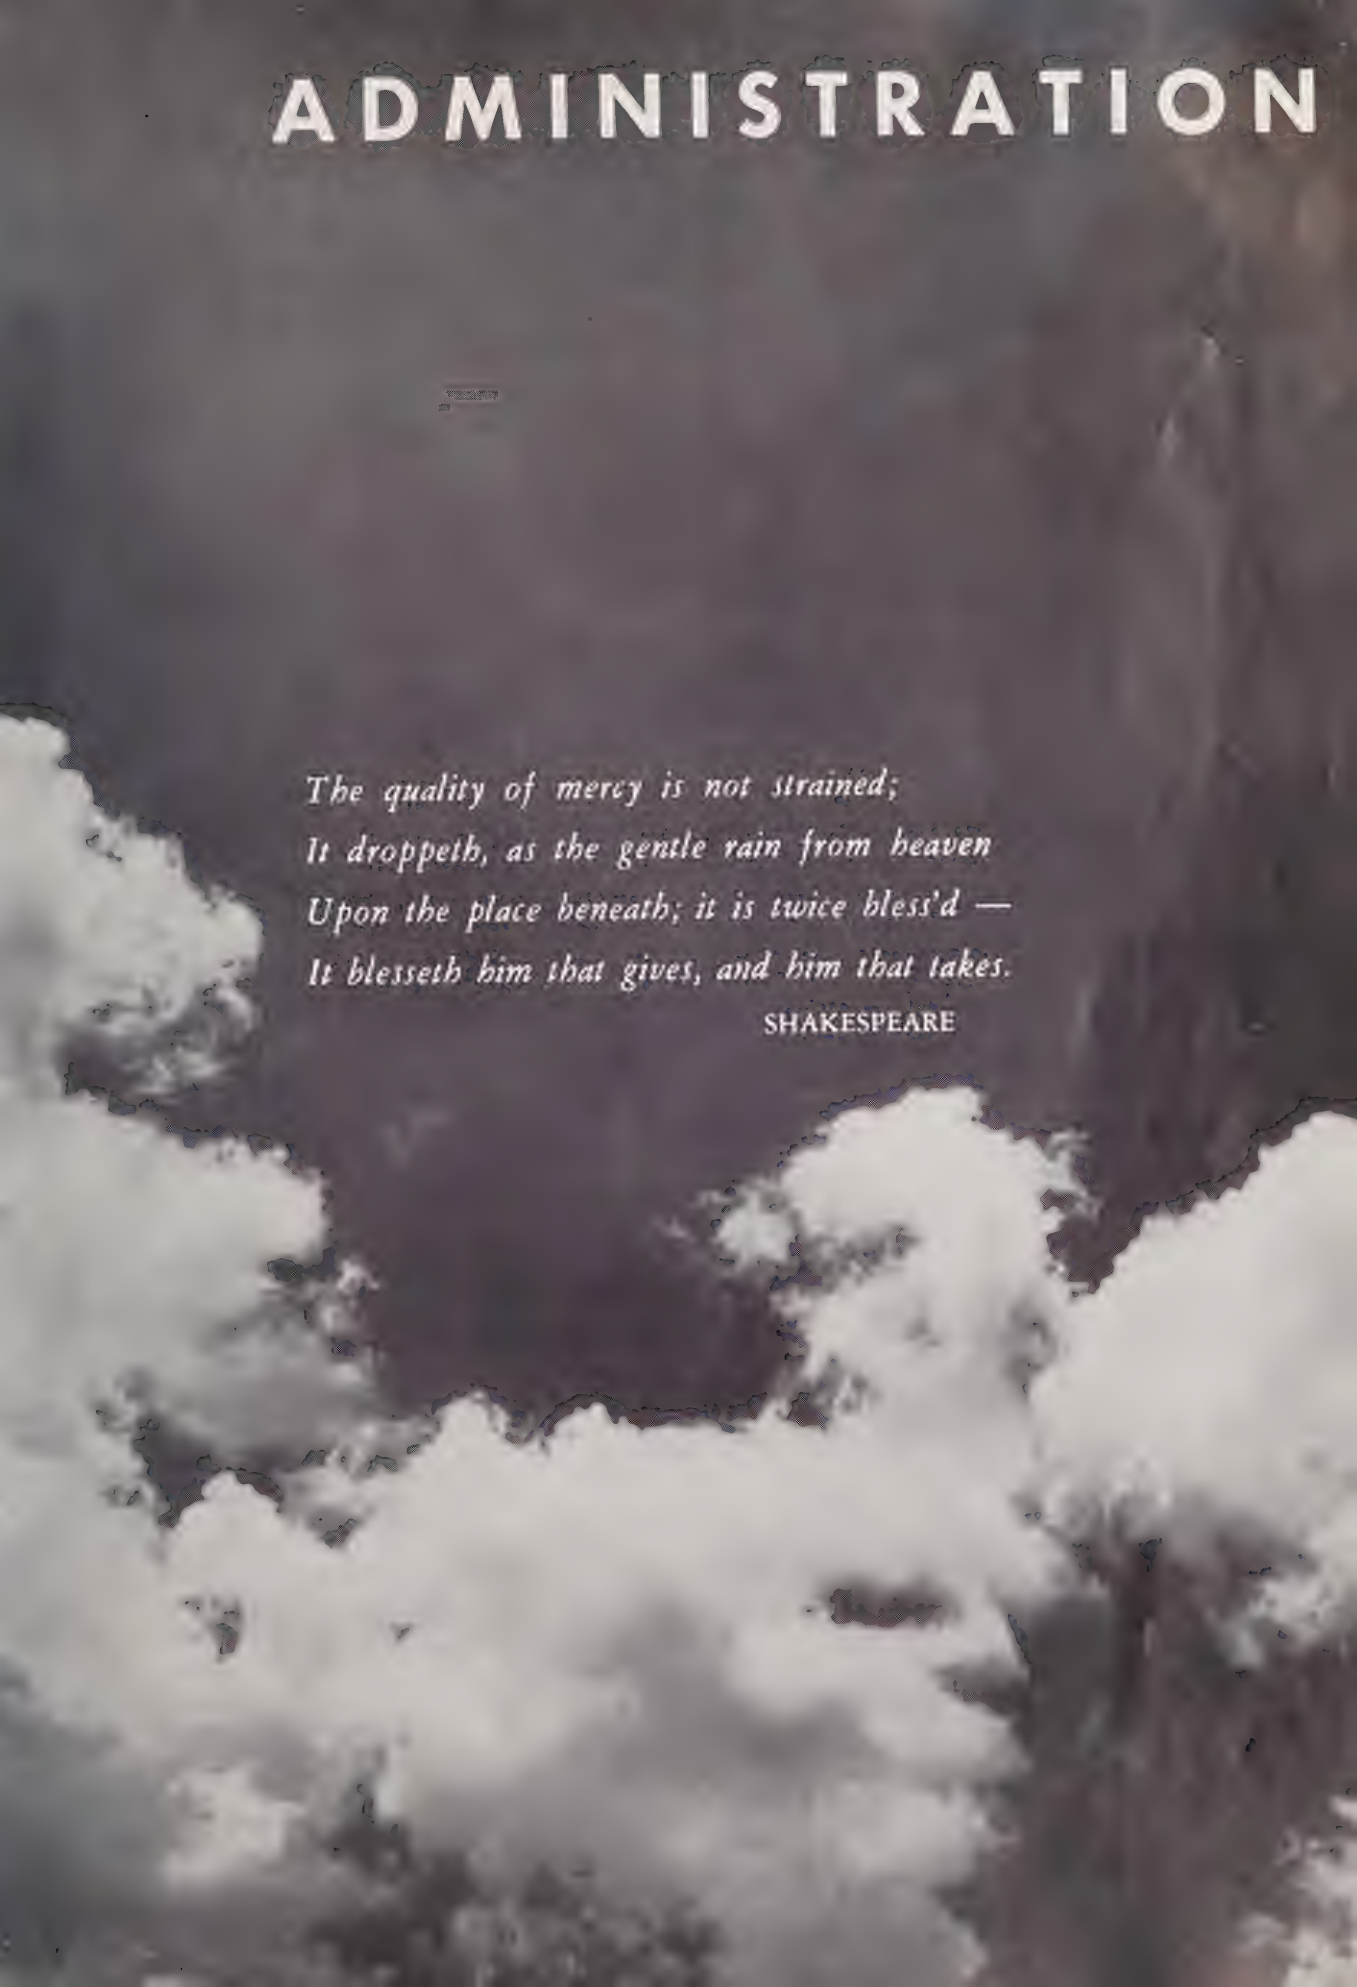
"The heart of the wise teacheth his mouth, and addeth learning to his lips."

Tuesday, November 11, 1958, Mr. Roscoe H. Thomas passed away. Mr. Thomas served the school and community faithfully with outstanding years of unselfish leadership, guidance and friendship. His generosity and kindness will never be forgotten by Gardners Township.



We, the Senior Class of Nineteen Hundred and Fifty-nine, wish to dedicate our annual to the dearest people on earth to us, our parents. They have made our education possible and have been patient and understanding throughout twelve long years of school. We would like to express our love and gratitude for all they have done for us. At this time we are dedicating the final annual of Gardners High School to our beloved parents.

ADMINISTRATION



The quality of mercy is not strained;
It droppeth, as the gentle rain from heaven
Upon the place beneath; it is twice bless'd —
It blesseth him that gives, and him that takes.

Richard,

The last few weeks have been the happiest days of my life. You have fulfilled them, so that nothing else matters, except you! When you have to leave, your love and kindness will linger with me, so that we will never be apart. I have enjoyed all the good and (bad) times with you, and I hope there will be many more. I thank you, more than I can say, for your patience and understanding.

May God bless you, and keep you safe for me.

Will always
love you

Barbara
